

6. The *District* shall make the final determination in any question of location of any service line connection to its distribution system and shall determine the allocation of water to *Water User's* in the event of a water shortage (Dec. 2003)

7. The *District* may shut off the water of a *Water User* who allows a connection or extension to be made to his service line for the purpose of supplying water to another user, or otherwise violate the Rules and Regulations of the *District*. The only exception is a licensed trailer park, which may have three trailers per meter, as long as the owner or manager is responsible for the water bill.

8. The failure of a *Water User* to pay water charges duly imposed shall result in a twenty percent (20%) penalty applied after 4:00 P.M. the 15th of the month. The water service may be disconnected without further notice if not paid before the 21st of the month. The water bill will serve as notice of payment due.

No second notice will be sent.

9. In the event it becomes necessary for the *District* to shut off the water from a *Water User's* property for violation of the Rules and Regulations, a fee will be charged for re-connecting in addition to the amount of the delinquent bill.

The foregoing notwithstanding, the *District* deserves the right to make or amend the by-laws or the Rules and Regulations of the *District* from time to time and the *Water User* agrees to abide by such changes upon notice thereof.

Receipt of \$ _____ dollars is hereby acknowledged by the *District*.
