

**Kushla Water System  
Engineer's Report  
William G. Luker/Speaks & Associates**

**6/25/2018**

**Mobile County Pay-As-You-Go Projects:**

*MCR 2010-109 Evans Road:* We have submitted closeout information to the County and are awaiting final approval and payment to Kushla for the engineering design work; balance owed is approximately \$4,500.

**Engineering Work:**

The following work items are ongoing:

1. Review the work and provide an Updated Water System Overview and Valve Reference Map: The cost for the work was approved at the June 2017 Board meeting; work is underway. **No change since last report.**
